

## Spinnaker<sup>©</sup> (SPN)

It was a perfect day off the Isle of White in 1865, the sky was unusually clear and the water calm as the Sphinx hoisted a canvas that filled out to what looked like an acre of sail. A "Sphinx's Acre" soon caught on with the sailing crowd and the spinnaker is now standard rigging on racing yachts. This pattern of soft triangles creates a playful MESH pattern.

Shade Score	4/10
Privacy Score	6/10
Biomimicry Score	2/10
Structural Strength Score	5/10
Small Hole Size Score	8/10
MESH Score	7/10
Openness	38% Open

### ADDITIONAL INFORMATION

- Guardrail Compliant (4" sphere)
